## ABOUT ME

As the Founder & CEO of Kint3D and Bluewave Dimension, I am a seasoned multidisciplinary digital artist with over nine years of expertise in 3D modeling, UI/UX design, and game development. My portfolio is a testament to my ability to merge artistic creativity with practical functionality, crafting everything from lifelike 3D environments to polished user interfaces and dynamic web solutions. My forte lies in transforming creative concepts into captivating digital experiences, utilizing the latest tools and design methodologies. My passion for digital creation shines through in my work, where I excel at integrating engaging 3D visuals with user-friendly interfaces and robust coding. With a strong foundation in 3D modeling, I am adept at producing finely-tuned assets for gaming, AR/VR, and interactive platforms. As a UI/UX designer, my commitment is to develop designs that are not only visually appealing but also deliver a seamless experience across various devices. I am dedicated to closing the gap between design and development, ensuring that digital products are not just envisioned but fully realized through responsive web and mobile applications. Versatile Digital Artist & CEO with 9+ years in 3D modeling, UI/UX, and game dev. Excels in creating immersive experiences and responsive designs, eager to bring innovative solutions to your team.

## COURSES

- JAN 2017 - DEC 2017  
**PROFESSIONAL PROJECT-BASED TRAINING ON AUTODESK 3DS MAX**
- JAN 2020 - DEC 2020  
**AUTODESK AUTOCAD (2D & 3D), THE BUREAU OF MANPOWER EMPLOYMENT AND TRAINING (BMET), TECHNICAL TRAINING CENTER (TTC), RAJSHAHI**

## WORK EXPERIENCE

- Teach Graph  
Rajshahi, BD

JAN 2010 - FEB 2011

### GRAPHIC DESIGNER

- Continuously update knowledge of design trends, tools, and techniques to enhance design skills
- Deliver innovative and relevant graphic designs by integrating current trends with classic design principles
- Commit to professional development to ensure the creation of high-quality, impactful design work

- Al-Aksha Developer Ltd

MAR 2016 - OCT 2019

### JUNIOR ARCHITECT

- Developed architectural designs from concept through to detailed construction documents.
- Utilized AutoCAD, Revit, and other BIM software to create precise technical drawings and models.
- Collaborated with senior architects and engineers to ensure design feasibility and integrity.
- Assisted in the preparation of presentation materials, including 3D renderings and architectural illustrations.
- Participated in client meetings to discuss design objectives and modifications.

- KINT3D

AUG 2015 - PRESENT

### CEO

- Spearheaded the early adoption of 3D models and printing marketplace initiatives at Kint3D in June 2015, demonstrating forward-thinking and innovation in the Intellectual 3D Modeling & Animation industry.
- Committed to client satisfaction by delivering simple yet effective 3D modeling and animation services that meet and exceed client expectations.
- Pioneered the production of clean, application-friendly 3D models with high-quality polygons, ensuring detailed work that integrates seamlessly into various environments and game engines.
- Fostered a culture of excellence with the ultimate goal of creating unique, high-quality 3D models, setting industry standards for both product quality and artistic creativity.
- Played a pivotal role in the professional development of emerging artists by teaching and sharing knowledge, thereby contributing to the growth of the industry and nurturing new talent.

- Anyza AI

APR 2020 - 2022

### SENIOR UI-UX DESIGNER

- Spearheaded the design of user interface visual elements, ensuring a cohesive and engaging user experience.
- Crafted color schemes that enhanced the aesthetic appeal and usability of digital products.
- Developed a consistent typographic strategy to improve readability and user engagement.
- Designed custom icons that facilitated intuitive navigation and enriched the overall interface.
- Created graphics that effectively communicated brand identity and supported user interaction goals.

- Bluewave Dimension

JUL 2023 - PRESENT

### GAME DEVELOPER

- Designed and implemented game features using Unity/C++/Unreal Engine.
- Collaborated with artists and designers to refine gameplay mechanics.
- Optimized game performance for various platforms, ensuring smooth user experience.
- Developed AI behaviors for non-player characters and game entities.
- Conducted thorough testing and debugging to maintain high-quality code standards.

## EDUCATION

- Bachelor of Architecture

2016

### RUET, Rajshahi

### ARC CREDITS: 177

- Earned 177 ARC Credits with distinction
- Recipient of Academic Excellence Award
- Graduated top 10% of class in ARC studies

- Rajshahi Court College

2011

### Rajshahi

### GPA-4.10

- Shahid Mamun Mahmud High School & College

2008

### Rajshahi

### GPA-4.19

## SKILLS

3DS Max, Blender, ZBrush

C++, Unity, UnrealEngine.

Adobe Substance

UI/UX Design

3D,Mari,RizomUV

Java, Kotlin, Swift

Graphic Design

Video Editing

Html, Javascript, React js

Motion Graphics

## LANGUAGE

English

## INTERNSHIP

- SEAD Consulting Engineers Ltd.

SEP 2014 - FEB 2015

### Dhaka

### INTERNSHIP

A design company that provides architectural and structural solutions, offering internships to fresh graduates or 4th-year students.

## PERSONAL DETAILS

Date of birth

03 Aug 1993

Nationality

Bangladeshi

Visa status

Approved
